MADE FOR ME

I've come to know and love Fantasie
Lingerie because it fits like nothing else.

has been made just for me.

CAROLINE

FL9592 / FL9598

Our first drop for the new season, sees us take a little trip down memory lane as we welcome the return of Caroline. One of our best-selling print collections, Caroline features large scale floral motifs, which for AW21 we have captured in beautifully soft silver tones, on an ivory base. Teamed with a two-colour Swiss-designed embroidery, we hope you enjoy the return of this collection just as much as we do.

AUBREE

FL6932 / FL6936

A truly sought after collection, Aubree receives an update for AW21 with a newly available fashion colourway - Moonlight. As the name suggests, expect nothing less than a blend of silvers and cool blue tones, which together create the most beautiful of two tone laces you've ever seen.

ANUSHKA

Truly effortless and elegant in its appearance, Anoushka returns in Ivory for the new season. A collection characterised by its opulent swirl embroidery, available styles include the UW Full Cup, complete with high apex styling, with a sheer top cup for a lighter look.

FL5215 / FL5215

JOCELYN

FL100503 / FL100551

We understand that your confidence comes from a fit you can depend on, which is why when we create new lines, we take a moment to reflect on those collections that you know and love. Based on our best-selling Jacqueline collection, we're ever so excited to introduce, for AW21, Jocelyn. Featuring a swirl embroidery, nouveau inspired in its design, across the top cup, this collection debuts in Black, White and Natural Beige.

JOCELYN

FL100503

Since you all love Smoothease so much, we thought for AW21 we'd raise the bar a little higher, with new Lace Ease. As pretty as it is comfortable, we've combined our one size fits all technology with our love for all things lace, to create this truly innovative Invisible Stretch Full Brief. Featuring an Art Deco inspired design, the super stretch lace offers a second skin feeling, whilst the flat finish technology ensures that all important even line under clothing. Launching in Black, Natural Beige and Ivory, be sure to team yours with your Fantasie favourite collections old and new.

PIPPA

FL100701 / FL100750

No season at Fantasia would be complete without a floral collection or two. New for AW21, Pippa features an in-house designed print inspired by traditional English rose gardens. We just love how the detail in the design is captured through the soft colour palette of ivories, blush pinks and taupes against a contrast slate base. And of course, delicate stretch floral lace adorns all styles.

ENVISAGE

FL6913 / FL6918

Returning for its second season, Envisage is a collection that sees classic lingerie styling meet contemporary design. Crafted from a stretch Jacquard lace, that features a subtle animal print design, the tone on tone finish creates an iridescent shimmer.

ENVISAGE

FL6911 / FL6915

ENVISAGE

FL6912 / FL6915

We've even added a handful of new styles into the Envisage collection this season too, including an UW Moulded Spacer Bra. Based on best-selling Rebecca Lace, expect a natural rounded shape from the lightweight cups, whilst the stretch lace wing smooths the back and provides a flat finish under clothing.

We love all-new Harper's exclusively designed in-house print, inspired by the beauty of botanical flora. Cornflower blues, jade greens and blush pink tones stretch across a contrast black ground to bring this design to you for AW21. Swiss-designed embroidery complements the print perfectly.

HARPER

FL100101 / FL100150

The ever popular Ana returns for AW21 in a sumptuous Teal colourway. We love the trailing geometric design of this collection, with its Swiss-designed embroidery it is the perfect blend of style and support. Be sure to check out Ana's UW Moulded Spacer Bra too - it's one of our favourite styles to date!

ANA

FL6702 / FL6705

FL6701 / FL2528

SMOOTHEASE

Experience comfort like you've never felt before with Smoothease. Our one size stretch brief has truly redefined what it means to find complete ease of wear from your lingerie. Crafted from a soft handle fabric expect nothing less than a second skin feel, whilst the clean cut, stitch free edge ensures a no VPL finish.

ANN - MARIE

FL100601 / FL100671

Taking centre stage for AW21, welcome Ann-Marie. Appreciate the beauty of classic elegant styling, as we team European designed lace with delicate sheers.

FL100690

ANN - MARIE

You have our word, we'll never compromise support for style, so expect from Ann-Marie both a faultless fit and shape that's second to none.

ANN - MA

FL100608 / FL100650

With a Side Support Bra, a Moulded T-shirt Bra and even a Chemise to choose from, picking just one style from this collection seems too much to ask, so why not take them all. Available in Black and Red.
